IOWA DEPARTMENT ON AGING
JOHN MCCALLEY, DIRECTOR

June 7, 2010

Honorable Chester J. Culver
State Capitol
Des Moines, IA 50319

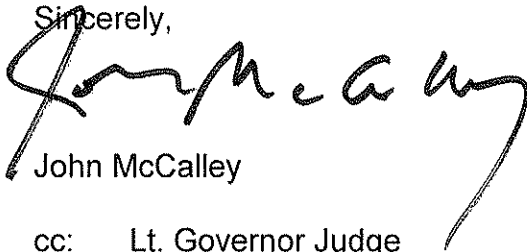

Dear Governor Culver,

Today, I wish to report my resignation as Director of the Iowa Department on Aging.

Clearly my presence has become a distraction from the priority of providing older Iowans with the best possible supports, services, and protections.

It has been my honor and privilege to serve in this historically significant and impactful administration. I wish you, the Lt. Governor, your family and the entire Culver-Judge Administration great success.

Sincerely,

John McCalley
